NovaTech Solutions — Product Catalog

Fictional product facts with intentionally similar names

Purpose: This fictional document is designed for experimenting with document loading, text chunking, embeddings, metadata, and semantic search.

1. FlowLite

FlowLite is a basic workflow automation plan for small teams. It costs ■799 per month and supports up to 5 users. Included features are 10 active workflows, email notifications, and a standard dashboard. FlowLite does not include custom role permissions.

2. FlowPro

FlowPro is designed for growing teams. It costs ■1,999 per month and supports up to 20 users. Included features are 50 active workflows, email notifications, analytics dashboards, and custom role permissions. Priority support is included during business hours.

3. FlowEnterprise

FlowEnterprise is a configurable plan for larger organizations. Pricing is provided through a custom quote rather than a fixed public price. It includes unlimited users subject to fair-use terms, advanced access controls, audit logs, and a dedicated account contact. Contract terms determine service-level commitments.

4. Add-ons

The Data Export add-on costs ■299 per month per workspace and allows scheduled CSV exports. The Extra Workflow Pack costs ■499 per month and adds 25 active workflows to an eligible subscription. Add-on availability may depend on the customer's plan.

5. Billing

Subscriptions are billed monthly in advance. Prices in this sample catalog are illustrative and exclude any applicable taxes. Customers can view invoices and payment status in the billing dashboard. A failed payment may restrict access after the notification and grace period described in the billing terms.

Training sample only. NovaTech Solutions and the example policies, products, prices, and API are fictional.
